Perfect....Do you still need a copy on CD?

Also, what time frame would like to try and schedule a face to face to discuss? Sometime in April?  
Sooner or later?

Let me know some good days and I will coordinate a day with the team. This way we can get something on the calendar.

Thanks,  
James

James,

Thanks. Will start reviewing it once IT staff installs Chrome in my laptop. IE is our standard web browser. A CD or DVD copy will also help for the record.
